### **Special Attention for players coming to Korea Open**

From this year INCHEON/SEOUL Int'l Airport is using two different terminals which are about 20~25 minutes distance by bus. Terminal 2 is being used by Korean Air, KLM, Air France and Delta. All the other airlines will be using Terminal 1, the old one. Therefore, players need to mention which airline they are using to come to Korea so that we can prepare and send the pick-up crew to the exact terminal. Thank you !!!
