Introduction of a Therapeutic Use Exemption (TUE) Portal

From 1 January, all TUE applications must be completed using the new Tennis Anti-Doping Programme Portal. An account must be created in order to submit an application and all accounts are subject to verification.

Players are invited to create an account (which is a once-only process) as soon as possible, as this will help to minimise any delays in the processing of subsequent applications. Players are also encouraged to invite physicians who they anticipate are likely to submit an application on their behalf to create an account.

The TUE Portal can be found [here](#).
