Privacy Notice for COVID-19 - ITF tournaments and events
This Privacy Notice serves as an addendum to all ITF Privacy Notices available on the ITF website. This Privacy Notice explains how and why the ITF collects and processes your personal data specifically in relation to the COVID-19 (coronavirus) pandemic.
Please read this notice carefully.

1. Updates to processing activities at ITF tournaments and events
In order for ITF tournaments, events and activities ("ITF Events") to resume and continue to be delivered, the ITF must change its delivery strategy to protect participants and the wider public from exposure to COVID-19.

If you choose to attend an ITF Event, we will ask you for specific personal data that you would not normally supply and have not previously supplied to the ITF. The provision of this information will help us manage the prevention of COVID-19 at ITF Events and so support a return to competitive tennis.

The information that we will process about you in response to COVID-19 will be no more than is necessary to determine whether you may have been exposed to or may be suffering from COVID-19.

2. The types of personal data that we may process
A. Pre-event
Prior to your participation in an ITF Event, you will be required to complete a questionnaire which asks you whether you are experiencing any COVID-19 symptoms, or have been in close contact with anyone who has Covid-19 or Covid-19 symptoms in the previous 14 days (the "Questionnaire"). You will not be permitted to enter the ITF Event site until you have completed the Questionnaire. The Questionnaire will be sent to you as an online link via email (players will receive the link from the ITF and on the Factsheet and will be responsible for completing it).

 - ITF Wheelchair Tennis Tour
- the ITF Tennis Anti-Doping Programme; and
- (if applicable) the Tennis Anti-Corruption Program

(collectively the "Rules and Regulations").
I acknowledge that the Rules and Regulations may be amended from time to time. I acknowledge that the Rules and Regulations include provisions regarding how disputes are to be dealt with (for example, if I am charged with a breach of the Code of Conduct), and I agree:

- to submit to the jurisdiction of the applicable body as specified in those regulations; and
- that such dispute shall be dealt with using arbitration (if that is specified).

Finally, I understand that this agreement will remain in full force and effect until I further advise the ITF in writing that I have permanently retired from participation in tennis and no longer have an active IPIN account.
